ORGANIZATION

Letter From The President

As we wrap up what has been a great season and look forward to a very bright future for the organization, I want to personally say thank you to each and every athlete, parent, and supporter. You are the heart and soul of this hockey club and it is a privilege to join forces with such amazing people.

Our focus continues to be on developing highly skilled hockey players in a competitive environment while striving to promote integrity, excellence, development, and community both on and off the ice. We are committed to helping each individual player achieve their potential.

I am excited for new opportunities as the organization continues to grow and I look forward to seeing the Music City Marauders take the ice again this Fall.

Britt Cesarone

**President – Music City Marauders
Hockey Association**

Music City Marauders Hockey Association

The Music City Marauders Hockey Association is a 501c3 tax-exempt, non-profit youth hockey organization. The volunteer run association was created to provide players with the opportunity to learn and develop their skills while competing with top programs across the country. As the game of hockey continues to grow in the Nashville market, the Music City Marauders have quickly become one of the top USA Hockey sanctioned options for local players desiring to play competitive travel hockey.

Mission:

To conduct a travel hockey program which provides players with the opportunity to learn and develop the fundamental skills of hockey in a competitive environment while promoting character, integrity, sportsmanship, and teamwork. Off the ice, the organization strives to promote volunteerism and community service where we live and travel with the hopes of also inspiring others to make an impact in their local communities.

Hockey Director:

Jordan French-

Originally from Texas, Jordan played junior hockey in the NAHL prior to transitioning into full time coaching. He spent 7 years building the Dallas Stars Elite program as the Tier I Skills Coach and Head Coach prior to relocating to Nashville to take over as the Tier I & II Hockey Director and Head Coach for the Nashville Jr. Predators organization. He has since started his own elite training and development company, Jordan French Hockey, providing professional skills coaching for current NHL, college, major junior, and youth hockey players. With 7 players drafted in the NHL, over 20 NCAA Division I players, and multiple Tier I & II National qualifying teams, it is no wonder that Jordan has become one of the most sought-after skill and development coaches nationally as well as locally. This season Jordan will be returning for his 3rd season as Hockey Director for the Music City Marauders.

FACILITIES

The Ice Barn

Located near Leipers Fork, The Ice Barn is a private facility containing one sheet of ice. It has two locker rooms and serves as the primary location for Music City Marauders practices.

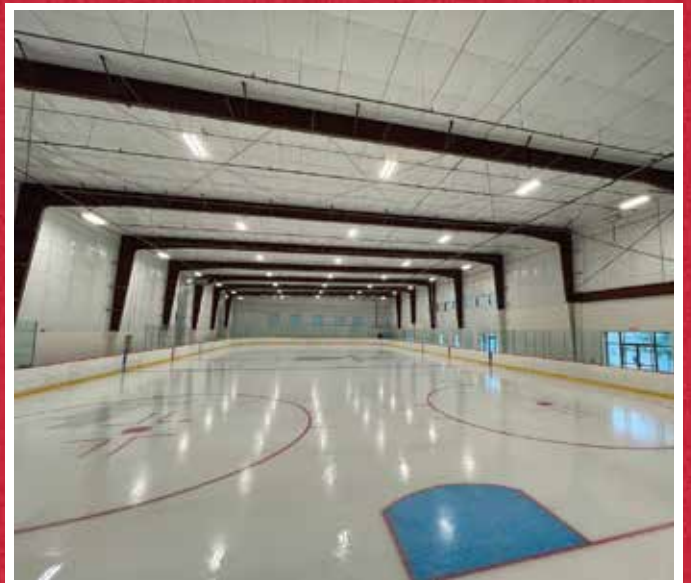

The Hockey Lab

What once started as a goalie development rink in the heart of downtown Franklin, The Lab has since evolved into a training facility equipped with shooting lanes, off-ice training space, and a small sheet of ice.

Ford Ice Center Clarksville

Set to open in 2023, Ford Ice Center - Clarksville is a full-size, regulation sheet of ice attached to F&M Bank Arena in downtown Clarksville. The facility will have four locker rooms, skate rental, and seating capacity for 300 spectators.

Gary Force Acura Ice Arena

Gary Force Acura Ice Arena opened in 2021 in Nolensville, TN. The facility has one full-size, regulation sheet of ice along with locker rooms.

BOYS TIER II TRAVEL TEAMS

Boys

Tier II

We are excited to be offering additional age divisions for the 2023-2024 hockey season. All teams will play a highly competitive schedule consisting of 8-12 weekends against Tier I & II competition. Tournaments and showcases will be mixed in with local and travel friendly games. All practices will be high intensity sessions that focus on accurate skill demonstration along with clear and concise teaching and explanation. Teams will have access to their own practice ice (no shared ice) and practices will begin in August and the season will end in March.
