# HOCKEY DIRECTOR

Originally from Texas, Jordan played junior hockey in the NAHL prior to transitioning into full time coaching. He spent 7 years building the Dallas Stars Elite program as the Tier I Skills Coach and Head Coach prior to relocating to Nashville to take over as the Tier I & II Hockey Director and Head Coach for the Nashville Jr. Predators organization. In 2019, Jordan started his own elite training and development company, Jordan French Hockey, providing professional skills coaching for current NHL, college, major junior, and youth hockey players. With 7 players drafted in the NHL, over 20 NCAA Division I players, and multiple Tier I & II National qualifying teams, Jordan has become one of the most sought-after skill and development coaches nationally as well as locally. This season Jordan will be returning for his fifth season as Hockey Director for the Music City Marauders.

# HEAD COACHING STAFF

## Jordan French

Jordan has successfully coached hockey teams at every age and every level. In addition to coaching Tier I (AAA) teams within the Dallas Stars Elite and Nashville Jr. Predators organizations, Jordan is now entering his fifth season with the Music City Marauders.

## Matt Eddinger

Since finishing playing ACHA hockey for MTSU, he has coached 11 seasons from the mite level to HS to Junior at all levels from A to AAA. He holds USA Hockey level 4 certification and was the assistant coach for a USA Hockey PW AA National Champion in 2012. His skill set is geared towards communication and work ethic, and he's consistently run successful teams that outperform initial season expectations. This season, Matt will be returning for his fourth season as a Head Coach with the Music City Marauders.

## Tyler Hamilton

Tyler Hamilton brings with him an enduring enthusiasm for the game. With roots tracing back to Dallas, Texas, Tyler's journey in hockey began with the prestigious Dallas Stars Elite program. His talent and dedication soon caught the attention of scouts, leading to his signing with the Texas Alliance before making waves with the Iowa Wild. Transitioning to elite high school hockey, Tyler continued to excel, representing Lake Forest Academy in Lake Forest, Illinois. Tyler's commitment to the sport remained steadfast as he pursued his collegiate education, donning the jersey of the Texas Christian University Club Hockey Team. This will be Tyler's second season with the Marauders.

## Jake Stronach

Jake has been around hockey his whole life being from the Toronto area. He grew up playing high level travel hockey in Toronto and captained top teams that made both the Ontario finals and International Silverstick finals. # ELITE PROSPECTS

## VERIFIED PARTNER

The Music City Marauders are excited to continue our official partnership with Elite Prospects (EP) as a verified organization. This partnership provides all 14U, 16U, and 18U players with exclusive access to verified Elite Prospects Premium accounts at no additional cost.

Elite Prospects Premium is a subscription service offering advanced features beyond the standard profiles. With a verified premium account, players can “claim” their public EP profile and enhance it by adding video highlights, social media links, skills, recommendations, fitness results, and other personalized content. These upgrades enable players to create a comprehensive online showcase—akin to a “LinkedIn for hockey”—to enhance their visibility and attract attention from scouts and recruiters.
